Downloading the Flash 512.Bin File and loading it to the Ocelot and Leopard.

Downloading the Flash 512.Bin File to your computers Hard Disk Drive.

Click the link marked Flash512.bin file. A File Download window will appear.

Click Save.

Click the right Down arrow to the right of Save In.

Find the Program Files\ADI\ADICON2500 folder. If you originally installed C-Max in a different directory then find the directory where the CPUXA.exe file exists.
